# Testimonials

- “Thank you so much for the music at our wedding. Everyone commented on the great music. I don’t know how many people who thought you were ‘imported’ from Philly or New York. If word of mouth is as good as gold, then you are worth a million dollars.” (John & Jill Carney)
- “Thank you so much for making our wedding day so special. The music completed a wonderful day. The attention and special touches you and the entire group provided from the moment we booked the band was just great. People were thrilled to be dancing all night long. Young and old were on the floor for the entire evening. It was a night we will remember forever. Thank you again for being such an important part of our day. Your name says it all. It was a ‘PICTURE PERFECT’ affair!” (Stephanie & Dominic Vergnetti)
